Discussion Points for Coordination Meetings

Discussion Points for Coordination Meetings

1. What are your duties and responsibilities with regard to mitigation of child marriage (CM) and protection of the girl child?
2. What changes and best practices have you observed in addressing CM and other harmful traditional practices (HTPs)?
3. What kind of problems/challenges have you encountered while working on CM and how can these be overcome?
4. How have problems/challenges been solved at the past? What were the strategies used to address these problems/challenges?
5. How is information shared and how are CM-related challenges faced during wedding periods?
6. Show using diagrams the strategy that was used. Was it simple or difficult for the community to solve the problem? If so, what made it simple or difficult?
7. How it the strategy be improved?
